

How BCB Group is scaling, powered by Mambu's core banking and payments

[LEARN MORE](#)

About ***BCB Group***

A leading provider of regulated payment, wallet, and trading services for crypto and fiat currencies.

- \$200B+ in fiat payments processed
- \$1B+ in stablecoin payments
- 250+ business clients supported
- Regulated in the UK, France, and Switzerland

Why BCB Group ***chose*** Mambu

- Composable, cloud-native core
- Seamless integration via APIs and webhooks
- Built-in SEPA connectivity
- Solid foundation for future product innovation

“We debated Buy vs Build. After a full vendor selection process, it was clear ***Mambu’s SaaS core was the best fit for our current and future needs.***”

— Derek Rego, Group Chief
Operating and Information
Officer, BCB group

BCB Group is scaling globally

with *a composable core* and *integrated payments*, powered by Mambu.
