

Accelerate your international payments

International Payment Accounts

Rapid currency expansion

Launching with 12 global currencies in Q2, with 24 additional currencies rolling out in Q3.

Dedicated, client-named IBANs

Get a dedicated IBAN for each currency. Keep your funds organised with named accounts that make payments clear for you and your partners.

Virtual IBANs (vIBANs) available

Available at launch across all supported currencies to streamline your deposit reconciliation and enhance your customer experience.

Instant payments with BLINC

Fully integrated with BCB's proprietary settlement network, enabling instant, frictionless transfers within the BCB ecosystem.

Reliable SWIFT routing

All international transactions are reliably routed via SWIFT through our Tier 1 correspondent banking partners.

Q2 2026 - RELEASE 1

Q3 2026 - RELEASE 2

Ready to supercharge your international payments today?

Speak with your sales representative to discuss our solutions and pricing, or submit an inquiry through our website.
